A pediatric-only emergency department is located on the west side of the children’s hospital, and can be accessed from 24th Avenue. Patients, families and visitors may park in the Green Garage, located underneath the children’s hospital building/South Building. Valet parking is available at the entrance of the children’s hospital at the same rate as self-park. Service is offered from 5 a.m. - 8 p.m., Monday-Friday. Additional parking is available in the Blue surface lot and Red and Yellow parking ramps.
